Māori Rock Carvings

SAIL BARBARY
Eco Sailing Taupo

Unmatched, unforgettable since 1983

SAIL BARBARY to the Māori Rock Carvings is an authentic sailing experience with idyllic scenery, cultural commentary and an environmentally friendly adventure on our electric powered yachts.

In 2011, we committed to 'Going Green' and replaced our diesel engines with environmentally sustainable electric motors. Relax and enjoy sailing with enhanced senses, no noise, no fumes and no emissions.

Our role on Lake Taupō is one of Kaitiaki or Guardianship.
